

## Summer of 58

How long can you keep a secret to protect someone you love? Forever? That's what Angela Garrett promised the man in the dark. Estranged from his daughter, bronc rider Lanny Ray decides he'd better try to mend their relationship before it's too late. It is a dream come true for Angela when they roll out of Jewel, New Mexico, to travel the summer rodeo circuit. In spite of her reluctance to make new friends, Angela finally meets someone whose loyalty becomes a comfort to her. But she also encounters people whose cruelty frightens her. Her idyllic summer is shattered when Angela witnesses an evil, brutal act while waiting in the car for her father. The event catapults her out of childhood and changes her forever. Can family love hold her world together through the worst of times?
