

The Twelve Disciples of a Wild Woman: A Journal Adventure.

In her fifties a womans soul may give birth to her most creative nature yet. From that flows a way of being in the world that nourishes her from within. The Twelve Disciples of a Wild Woman offers a light hearted look into a left-wing womans wildish relationship with Jesus Christ, which leads her to discover her own twelve disciples. As these disciples come to life on the page, theyll touch your life as well. Anyway, some of them probably belong to you already!
