

Theakers Quarterly Fiction #45

Theakers Quarterly Fiction #45 features four stories: *The Colour of the Wind Erodes the Shape of Time* by Howard Watts, *We Slept Through the Apocalypse* by Howard Phillips, *Kingdom Automata* by Katharine Coldiron and *Carcosa, Found* by Robin Wyatt Dunn. The typically tedious editorial concerns Theakers recent conversion to Scrivener. The issue also includes six book reviews by Stephen Theaker (*Arctic Rising*, *Finches of Mars*, *The Resurrectionist*, *Alien Legion Omnibus*, *Claudias Story and Saga*, Vol. 2), two film reviews by Jacob Edwards (*Elysium* and *Man of Steel*), and one film review each by Douglas J. Ogurek (*The Conjuring*) and Howard Watts (*Star Trek Into Darkness*) (who also supplies the cover art).
