

Tianna Logan goes to Camp Weeping Willow (Volume 2)

Forced to go to a summer camp and babysit her younger cousin instead of the wonderful vacation that she had planned at Disney World, Tianna Logan figures that she is about to have the worst, most boring summer that she has ever known. Little did Tianna realize that she was instead headed for the greatest and most dangerous adventure of her life and that she would soon be facing the most powerful adversary that she has ever went up against. Camp Weeping Willow has always been a safe haven for the children of American witches and wizards, a place for them to have fun, make new friends and get a boost in their education. But now, with campers disappearing at an alarming rate its beginning to look as if the camp may have to be shut down sending everyone that is left back home. Can Tianna and her friends once again save the day or will Camp Weeping Willow be no more? Sequel to Tianna Logan and the Salem Academy for Witchcraft
