

Wendell the Worlds Worst Wizard

Wendell Drackenberg has a suspicion that he is different, but nobody in his life wants to admit it. When the truth is made embarrassingly public, Wendell is faced with some difficult choices for a thirteen-year-old. Dubbed the worlds worst wizard, he is forced to pave his own way. The future seems bleak until one little lie launches this comical adventure of errors, uncertainty, danger and courage. Teaming up with new friends, robots, a gnome and a brain-intolerant zombie, he discovers how a secret skill might just make him the perfect wizard to save his village.
